## FROM THE PREZ

August 3, 2011

Thanks to all Club members for the help and participation, that made the Fun-Fly a successful first venture. Thanks to those who cooperated with the TV

presentation, your Club enjoyed a lot of good publicity.

A following deserve AT A BOYS for their help getting the field ready: Steve K., Abe K., Bob P. and many others, who helped with the preparation.

Thanks to Ryan H.,our resident electrician for his renovation of the shelter lights, also for his advice needed to revive to the flight-line electrical outlets, which are now functional.

What we need now is for some one to over see the construction of charging stations at each outlet, any volunteers?

The summer is flying by, after the August 9<sup>th</sup> meeting at the field, the September 13<sup>th</sup> meeting will be the last out-doors for this season.

See you at 6:30 Tuesday the 9<sup>th</sup>, and thanks for all the support.

Tom R.
