Contest Director	Tom Rorabaugh	265-1948		

Building Instructor Fred Hildebrand 265-3549

FROM THE PREZ

Looks like another one of our wonderful Wyoming not sure if it's going to be 65 deg or -65 deg months has come and gone. Hopefully some of you were able to take advantage of a couple of those beautiful 60 degree days to get a little flying in like I was. I don't know about you, but I'm starting to get that "let this winter be over already" itch. I have some new planes set up ready for that spring time maiden flight just staring me in the face. I'm tired of fixing hangar rash from constantly messing with them.

As I'm sure you have all heard Mr. Fred Hildebrand and his wonderful wife Meg have decided to head for warmer weather in New Mexico. In the short time I have been with the club Fred has been a great friend and great RC mentor. Fred is one of the pioneers of this club that dedicated countless hours paving the way to create what we all enjoy so much now. We hate to see them go, but wish them all the absolute best on their new adventure. We will be having a going away at **ARMORS/SILVERFOX THURS 12th @6:30PM**. I hope you will all join me in coming together to thank them for their years of service to the club, dedication to the hobby, and the friendship we all enjoy. Please email me at huntwyo@gmail.com if you will be attending so we can get a headcount.

I'm looking forward to seeing everybody out on the field. Make sure to come to the monthly meeting. We need all the input and ideas we can get. I hope to see you there.

Happy Flying
Josh

**Casper Airmodelers Association
Meeting 02/10/15**

**Meeting called to order at 6:43 pm by Reed M.
The Treasury Report was motioned to be accepted by Tom and second by Steve**

OLD BUSINESS

Member of the Year: Jerry Williams, 2014 Member of the Year was unfortunately not in attendance to claim his prize.

Indoor Flying: We're typically seeing around 4-5 flyers on Saturday morning from 9am to noon at Restoration Church on Walsh Dr. Come on by and use the west entrance into the gym.

ARF for Raffle: We're seeking a member with covering experience to take on building an ARF that Tom is donating for the fly-in raffle.

NEW BUSINESS

Fred H: Fred and Meg are moving to Farmington, NM. We'll miss the dearly and would like to make Fred a Lifetime Member with the Casper Air Modelers. Tom made the motion, Josh made first approval and Steve second.

Fly In: The Fly-In will be the last weekend in July, first weekend (1st & 2nd) in August. Tom has applied and submitted dates with the AMA.

Pylon Races: It was suggested that pylon races be started again as there's interest in flyers. LA Racers will be used and details will be developed on setup as far as engine, prop size, motor etc. We're also seeking the old rule set from a few years ago.

Trainer Night: Thursday's this summer will be trainer nights. Josh has suggested that he brings his Alpha 40 to allow potential new members to "try it out" with a buddy box.

**Wordpress: Josh has figured out the complex wordpress web and updated the site. Thanks
Josh!**

Slope: We're looking to acquire a list of people that are interested in slope soaring. We'd like to gather cell phone numbers to text when winds are good and get some guys flying.

The meeting was adjourned around 7:05 by 1st of Tom, 2nd by Steve
Dan M. won the fuel with a net loss of (\$8)

Treasurer's note: Special thanks to all that have volunteered their valuable time!

Fly In Dates

!!!Indoor Flying every Saturday from 9am to noon at the Restoration Church. Second and Walsh. Bring your indoor flyers and quad copters!!!!

Please do not fly your aircraft west of the red/white barrels.
