FROM THE PREZ

December 14, 2010
From the Prez.

Reminder, the next meeting at the Mills Community Hall will be Tuesday January 11, 2011. Our astute electronics expert Fred H., has volunteered to give a presentation and lead a discussion on the theory of 2.4 GHZ RX antennas, and their placement in your aerospace machines. If time permits there will also be discussion on the different type of batteries and charger types and their theory.

2011 is a new year, a chance to make the meetings more meaningful with modeling information, and a lot less so called *CLUB BUSINESS*. These meetings are for your benefit, let your ideas be known on topics you would like to covered in future meetings.

A reminder that your 2011 AMA dues are due by 12/31/2010 to remain current, you can renew online at their web site.

Your 2011 Club dues need to be paid by the January 12th meeting to remain current and avoid a \$5.00

late charge.

You can download a renewal form from the Club web site, forms will also be available at the club meetings. Remember to show a 2011 AMA card, or have a copy of one to go with your 2011 Club renewal.

A large group of your fellow Club members will have had good time at Annual Christmas Dinner, lots of stories and *BS!*

A sad note of news, we will miss club member Bruce L.. He is setting up a new shop in Michigan. Best of luck Bruce, the Club will be missing your expert engine advice and comradeship.

PLEASE NOTE: CHRISTMAS DAY AND NEW YEARS DAY FALL ON SATURDAY, THERE WILL BE NO INDOOR FLYING ON THESE DAYS.

Bring those new gifts to the flying session on Saturday January 8, 2011.

MERRY CHRISTMAS AND HAPPY NEW YEAR!, see you at the January meeting.

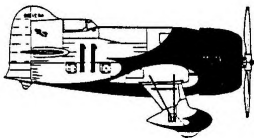

Tom R.

December Meeting

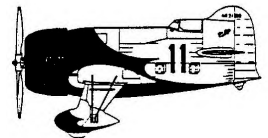

Christmas party at Paradise Valley Country Club

No minutes

Reed Merschat

Fly In Dates Reminder

Please do not fly your aircraft west of the red/white barrels.

FLIGHTLINE is available online at www.casperairmodelers.com
