FROM THE PREZ

I hope everybody had a great Easter holiday. We are getting closer and closer to some good flying weather. I've taken advantage of a few of those brief good wind moments that the weather will allow. Got a couple maidens out of the way and christened a few first of the year flights on others. So far no major damage incurred.

I know we don't usually have rocket launching at the field, but in the name of helping out some young modelers we had the school districts first high school rocket club come do some launches. They could not find anywhere to launch and called hoping our club could help them out. We need to give Tom Rorabaugh a big thank you for volunteering his time to do just that. Tom accompanied them to the field for each flight and even called the airport to advise them of the launches. Thank you Tom for all your dedication and effort to better the club. Unfortunately their launches did not qualify for nationals, but they came awfully close. I expect next year will work out even better with this experience under their belts. As a thank you their club has volunteered to come to our annual field clean up and help out.

As always please come to the club meetings the second Tuesday of every month. We always need some good ideas to grow the club. If you run into those guys that are park flying make

sure to invite them to come see what we can offer. Remember, first time membership is only \$30 for the first year.

I hope to see you all this Tuesday for the meeting.

Happy Flying

Josh

**Casper Airmodelers Association
Meeting 03/10/15**

Meeting called to order at 6:35 pm by Reed M.

The Treasury Report was motioned to be accepted by Tom and second by Jeremy

OLD BUSINESS

ARF Cover & Decorate: Tom has started with trim and will finish over time. The aircraft is a Dave Patrick Ultimate biplane and will be raffled.

Fred Hildebrand: A sendoff dinner was had at the Silverfox for Fred Hildebrand as he's moving to Farmington, NM.

Fly In: The Fly In is on the books for the weekend of July 31 to Aug 2nd. Tom is contacting vendors for raffle donations and the food will be approached the same as last year.

Pylon Races: Old materials and rules were presented. The races will be revisited at the next meeting.

Slope: Stu will help promote the Slope Soaring group at Wheels and Wings. Thanks!

NEW BUSINESS

Clean Up: New cable, runway sweep, garbage, sprinkler maintenance, and painting benches will all need to be addressed at the next clean up. A date of May 16th was proposed and will be confirmed at the April mtg. Also yellow "X"s may need to be painted on the runway.

Flight Boxes: Tom will research materials to consider for rebuilding the flight boxes.

Wind Sock: It was proposed that the club buy a new, bigger windsock. The motion was approved and the AMA site will be checked for available RC specific socks.

The meeting was adjourned around 7:00 by 1st of Jeremy, 2nd by Steve
Victor won the fuel and the raffle broke even.

Treasurer's note: Special thanks to all that attend the meetings!

Fly In Dates

Casper Airmodelers - July 31st - August 2nd

Please do not fly your aircraft west of the red/white barrels.
