Meeting 10/11/11

Meeting called to order at 6:35pm by Tom R.

Minutes for the September meeting were unavailable.

Dan M. made a motion to accept the treasurer's report and Abe K. made 2nd.

OLD BUSINESS

Christmas Dinner: The Christmas dinner has been scheduled for Saturday, December 17th at Paradise Valley Country Club.

Mowing: Gary Zobl has volunteered to take over full control of lawn mowing. The services of Connor will no longer be needed. Thank you Gary!

Indoor Flying: Tom and other members have been in touch with the NC School district looking for an available gym to fly in. NCSD has sent a general email and we await response from any particular school. We have shown that we're flexible on the day/time.

NEW BUSINESS

Club Elections: A nomination committee is needed for 2012 officers and will be selected during the November meeting.

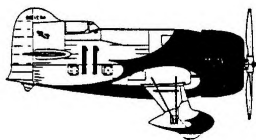

Rest Room: The rest room will be picked up by R&R by November first and will be placed again for next season on May, 1 2012.

Meeting Presentations: We're looking for members to submit requests or volunteer for winter meeting demonstrations. So far, Film/Covering, Vacuum Bagging, Canopy/Cowl Molding, Paint Blending and Telemetry have been discussed. Ideas are encouraged and volunteers appreciated.

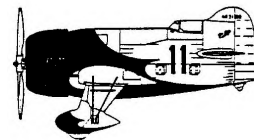

FAA: The current situation with the UAV and RC aircraft line thinning is concerning. In recent light of the failed planned terrorist attack using an RC plane and explosives, we're anticipating new FAA rules regarding RC aircraft. We must all prepare for this.

Abe K. motioned to adjourn and Dan M. made the 2nd.

A net of -\$1.00 was made in fuel the raffle proceeds - Dan M. Won.

Fly In Dates. Reminder

Please do not fly your aircraft west of the red/white barrels.
