DECEMBER MEETING CHRISTMAS PARTY

FROM THE PREZ

01/07/2009

2008 was a good year for your club, thanks to all the great support from you, the members. 2009 will be even better with your continued participation.

A big thanks to all who attended the Christmas dinner, there was lots of comradery and good times by all.

The weather was good New Years day morning, several members were able to get some of the "rust" out of their thumbs. For about three hours it looked like the wind sock was broken as it just hung straight down and was not moving. As usual, the wind was doing it's thing by mid-day.

The January meeting will be Tuesday the 13th at 6:30, the Mills community bldg., the corner of Midwest & 4th. Those who have not paid their 2009 dues can do so at this meeting.

Looking ahead to the New year, Bruce L. has done some preliminary ground work for a possible club "swap meet" in March, he will make a full report at the Jan meeting. Another agenda item will be the discussion of club field improvement goals for 2009.

Thanks, and please attend the 13th meeting, Your opinions are what make a good club a Great Club!
