June, 2009 Meeting Minutes

The meeting was called to order at 6:30 PM with 7 members signed in.

Gary Z. motioned and Abe K. 2nd that we approve the minutes of the May meeting as published in the newsletter - Passed.

Gary Z. motioned and Ray B. 2nd that we approve the treasurers report - Passed.

The newsletter will be published online the Friday before a meeting. If you need to have a newsletter mailed to you, contact Abe K., the newsletter editor to arrange to have one mailed to you.

Stu R. mentioned that he is running an open house for his grand opening. This would be a good time to man a table for the Airmodelers.

Because of the recent troubles we need to try to keep on our side of the barrels between us and the gun club.

We will be holding an informal fun fly on July 4th. Ron P. motioned and Jess L. 2nd that the airmodelers will furnish the meat for the dinner. Members are to bring a covered dish. We will be raffling off the electric Edge.

President Tom R. will furnish a copy of the club and field rules for posting on the web site. Members are asked to look through these for discussion at future meetings.

Ron P. made a motion with Ken 2nd for adjournment.

Tom R. won the fuel raffle

FROM THE PREZ

The 4th of July will probably have come and gone by the time this gets published, hope everyone enjoyed the flying and associated Club activities. Thanks to all who donated their time, food, and materials that made the weekend a success.

The July meeting will be on Tuesday the 14th at the Club flying field, 6:30 P.M.

The main topic will be the discussion and revision of the *Field Rules*. Please be there and contribute your "two cents worth", your participation is needed, and a vital part of the Club Safety Program.

Jerry W., Ray B., Reed M., and Bob S. have been doing a great job of flight instructing with new Club members and a few "Old Ones". Thanks guys for your dedication, this is not a easy task. To all who want to participate, remember Thursday night is *trainer night*.

Thanks to Reed M. the Club web site is a rousing success, and will be a important source of information. Remember only a limited number of *FLIGHT LINES* will be sent by snail mail from now on. Please inform Abe K. If mail is the only way you can receive the news letter.

The Club grass is doing very well because of all the moisture. Ray B, has been doing maintenance on the sprinkler system, and thanks to a FEW others, who have kept up with the mowing. It would be a big help if more Club Members would spend 15 minutes of their flying sessions and trade off the mowing chores.

Fred H. get healed real soon, we MISS YOU!

Thanks, Tom R.

Fly In Dates.

Sheridan: September 11, 12 & 13

Reminder

Please do not fly your aircraft west of the red/white barrels.

*FLIGHTLINE will soon be available online at www.casperairmodelers.com
(Please notify Editor Abe Knapp if you would like to receive a copy by mail.)*
