## August, 2009 Meeting Minutes

### August 11 Meeting Minutes

The meeting was called to order at 6:30 PM with 8 members signed in.

Abe K. motioned and Jess L. 2<sup>nd</sup> that we approve the minutes of the July meeting as handed out at the meeting - Passed.

Ray B. motioned and Reed M. 2<sup>nd</sup> that we approve the treasurers report as handed out at the meeting - Passed.

#### Old Business:

Tom R. reported that he met with Dave Hough from the city, and that the runway seal project is back on. The city has taken our check for \$2500 as part of this project, and the city will match it with their funds. Jerry W. noted that what we are getting is similar to the parking lot at the golf course. Tom R. will meet with pavement contractor prior to the sealing job to see if rolling is needed.

Tom R. brought up that "Plane Jane" was sold for \$150.00. The Electric Edge is still for sale at \$270. There was some discussion about lowering the price, or selling on ebay. It was moved that we leave it for sale at Wyoming Sports Distributors for now.

There was a close vote on last month's suggestion that we have the winter meetings at Wyoming Sports Distributors instead of the Mills Community Center. The motion was defeated.

There was a vote on last month's suggestion that bills that have not been explicitly approved during a meeting be brought directly to the meeting instead of the treasurer.

Tom R. brought up that ALL members are to help with field maintenance - Picking up trash, mowing the lawn. He has witnessed too many times when some members are at the field, but don't pitch in while other members seem to be doing more than their share of the work. If you are there, and someone starts mowing, don't watch. Take your turn. It's up to ALL of us to do the work.

The modification of the field and club rules that Tom R. has been working on were brought up for approval by the club. Gary Z. motioned and Bob P. 2<sup>nd</sup> that we accept these as the "Official Rules". Motion passed.

#### **New Business:**

None.

Jess L. motioned, and Reed M. 2<sup>nd</sup> that we adjourn - Passed.

Bob P. won the fuel raffle

REMEMBER: Rule #1 is HAVE FUN!!

## **FROM THE PREZ**

August 30, 2009

From the Prez.

Kudos to Ray B. And Jerry W. The clubs hard working flight instructors. Conner H. & Andrew S are the latest to SOLO!, congratulations gentleman. Jerry and Ray, the club thanks you for all the time and effort you have given to these new pilots. There are several other students in the pipeline at this time. Way to go to all who have given up their Thursday nights and week-end flying time.

Lots of new planes showing up at the field, Al S. got his Golden Age racer airborne with Jerry W. doing the "maiden honors". AL put this plane together from model magazine plans, the results are his usual masterful job. There is a lot of interest in war birds, is it time to re-visit some sort of informal competition?

September is the planned month for the "slurry seal " project, lets hope the WX is going to cooperate. Please check the web site for up-dates. There will probably be some prep work needed, thank you in advance for your help.

Tuesday September 8, at 6:30 will be the last regular meeting at the club field this season. The

October 13 meeting will be at Mills location, Midwest and Fourth. Lets have a great turn out at these up-coming club gatherings. Thanks for supporting the web site, Reed M. continues his expertise to make it a success.

Several club members are planing to attend the Sheridan fly-in, the week-end of September 12. This is fun, laid back get together, with a great Sat. night chow.

Thanks for all your help and support.

Tom R.
