REMEMBER: Rule #1 is HAVE FUN!!

January 8, 2010  
**FROM THE PREZ**

A big thanks to all Airmodelers who help make 2009 a good year, there were some disappointments, the biggest being our runway slurry seal project. It appears that in 2010 we will be able to "go it alone" funding wise. Thanks again!

We had a good turnout for the Christmas dinner, thanks to all who took time out of their busy schedules to attend. Airmodelers want to thank R/C Planes/ Stuart R. for the to great door prizes.

We hope to see the two winners on Saturday flying their ready to fly electric planes.

Airmodelers who were not able to gather with us, missed a lot of good eats and comradeship.

The March 20 SWAP MEET at the Fair Grounds is well on its way thanks to Bruce L. He has made all the building and table arrangements, in addition to advertising in the AMA Model Aviation Magazine. Flyers will be going out to surrounding Clubs soon, reserve your table/tables

with Bruce. This will be a good way to sell/swap those items not being used, maybe buying a item you can't live without, and participate in a lot of BS sessions. PLAN NOW!

Airmodelers are glad to see Fred H. recovering from his knee replacement. While not quite ready to run a marathon, he has been getting around much better. Best wishes for a full recovery.

Saturday indoor flying is going on with lots of participants putting their Christmas birds in the air. As usual Fred is taking time out of his Saturday morning schedule to make this indoor flying site available , give him a word of thanks next time you see him.

For "newbees", this takes place at the Highland Park Church from 9AM to 1pm. Enter through the west door on Walsh DR.

2010 Club membership dues are being renewed at a rapid pace, thanks for your participation. Remember, the January 12 Club meeting date is the last day to avoid a \$5.00 late fee for past Club members. We are working hard to get your 2010 membership cards to you, thanks for your patience, most of the cards will be available at January 12, meeting.

2010 Club Officer Nominations are as follows: President, Tom Rorabaugh Vice President, Ken Walson Secretary/Treasurer, Reed Merchat

The above nominees will be voted on/"railroaded" at the January 12 Club meeting.

Following "volunteers" to be appointed by the president: News Letter/Editor, Abe Knapp Safety Officer, Ray Beevers Field Marshall, Jerry Williams Webmaster, Reed Merchat.

Thanks to Dan Mull for your service as 2009 secretary/treasurer, and all others who served the club in 2009.

See you at the January 12 meeting, time 6:30 PM at the Mills Community Center, the corner of Midwest and 4th. Thanks for time and support given in 2009.

Tom R.
