## FROM THE PREZ

May 6, 2010

From the Prez.

If the weather this last week continues, put your skis back on your planes. Lets hope for warmer days ahead.

The first Club Pylon Race was successful, only one aircraft mishap, possible radio problems. Races were well organized, thanks to Jerry W. Next Race scheduled for Saturday May 15, plan to be there and enjoy the fun of participating. All Club Members are urged to come on the same day, again May 15 and help with the field clean-up chores. A good turn out results less work for everyone, and rapid completion of this *SPRING CLEANING*. Your participation as a Club Member means more than just paying yearly dues. Please lets not leave the *GURDGE WORK* to the same dedicated few. Rumors are there will be hamburgers and hot dogs available after the clean-up and racing activities, again please plan to participate.

Thanks to Reed M, most of the club paper work with AMA is done, and our yearly lease with the city has been renewed. Reed has up-dated the web site, be sure to take his *HELO TOUR*.

Thanks Reed for your efforts.

Bruce L. Is recovering from recent back surgery, we hope to see him at the field soon.

Remember the next Club Meeting May 11, 6:30 P.M. The month of May means meetings will be at the *FLYING FIELD* until October, lets hope down parkas will not be the uniform of the day.

Thanks for listening,

Tom R.
